## RESOLUTION

New Delhi the 29th June 1959

No 35 MS(17)/57—The Bombay Steam Navigation Company, a subsidiary company of Sardias who are operating passenger services on the West Coast from Bombay to Dhabol, Vengurla and Purnagad bid represented in 1955 that they should be allowed to increase the deck fares by 33 1/3% as

they were incurring heavy losses in maintaining the services. At the same time, representations were also received by Government from various passenger associations for a reduction in the existing level of fares. This matter was examined by a one man Commission consisting of Shri N. S. Lokur, Chairman, Railway Rates Tribunal, and on its recommendations the Government of India allowed the shipping company to increase fares by 10% with effect from the 1st September 1956.

2. The Bombay Steam Navigation Company have again represented to Government that the quantum of increase in the fares allowed in 1956 is not adequate to cover their losses in maintaining the service and unless fares are further increased or other substantial financial help is given to them, they would be forced to discontinue the services. Government have also received several representations from the travelling public urging a reduction in the existing fares.

3. Having regard to the fact that a large number of industrial labour in the Konkan Coast is dependent upon the passenger services, Government consider it essential to find a solution, which will be equitable both to the company and to the travelling public, so that the services could be maintained without any interruption. They have accordingly decided to set up an *ad hoc* Committee to go into the entire question of maintenance of steamer services on the Konkan Coast. The Committee shall consist of the following:

*Chairman*

1. Shri P. S. Rau, ICS (Retired) Formerly Chairman, Damodar Valley Corporation.

*Members*

2. Shri A. Ramaswamy Mudaliar, Chairman, India Steamship Company Ltd., Calcutta.

3. Shri Ashoka Mehta, M.P.

4. Shri Babubhai M. Chinai, M.P.

5. Shri S. G. Barve, ICS, Secretary to the Govt. of Bombay, Public Works Department, Bombay.

6. Shri C. P. Srivastava, IAS, Senior Deputy Director General of Shipping.

7. Shri V. P. Varde, Konkan Vikas Mandal.

8. Shri Wamanrao Rane of Ratnagiri.

4. The Committee shall examine and report on all problems both immediate and long term connected with the continuance of the passenger services on the Konkan Coast by the Bombay Steam Navigation Company (1953) Ltd. in order to meet adequately the requirements of the travelling public at reasonable fares. The Committee may also examine if it thinks necessary the connected problem of the Bombay Harbour Service, and such other matters as may be brought to its notice during the course of its enquiry, which have a bearing on the question of maintenance of the steamer service on the Konkan coast.

5. The Committee shall have its headquarters at Bombay and shall submit its report within six months.
